Important Note: Changes may be made to the schedule of events after the Final nomination depending on the number of lifters finally entered at this Final nomination. Changes of the timetable are possible by the amount of nominations after the Final nomination and at the Technical Meeting. This year we have reduced the weight classes and we can only finalise the time table after the nominations. It can be happen that we must also change weight classes to different days. So it is important for your athletes that they do not book their arrivals/departures very closely to the competition days.
