

EPF Sport Development Fund.

Application form

General Information.

National federations, organising European Championships, may apply to receive economical support from EPF to buy IPF approved equipment. This support is limited to 50% of the net cost of the equipment up to maximum 5000€.

Packing costs, freight costs and VAT are paid by the purchaser.

The equipment must be used at European Championships, organized by the applicant, to fulfil the EPF requirement of IPF recognised equipment in the warm up room and at the lifting platform.

Only National Federations may apply for this support and a contract must be signed between EPF and the National Federation (see appendix 1) when the application has been accepted by EPF.
