## IPF Anti-Doping Program

The IPF encourages all its participants to complete education to understand the rules that apply to them and to know their rights and responsibilities under the IPF Anti-Doping Program. In addition to the information provided on the [IPF website](#), WADA's **Anti-Doping e-Learning** platform (ADeL) offers access to all topics related to clean sport and anti-doping. It offers courses for athletes, coaches, doctors, administrators and anyone interested in learning more about anti-doping and protecting the values of clean sport.

Note that all athletes competing at [IPF Championships](#) **must** successfully complete education through [ADeL](#) in order to be able to compete. You must submit your completed certificate from ADeL with your nomination for your registration to be complete. Please note that the certificate file must be in PDF format only. This is the standard file format in which the certificate can be obtained from the WADA ADEL platform.

**Important Items to Remember:**

Preliminary nominations are done by each federation by the IPF Electronic Nomination System. In additions, preliminary nomination forms must be sent to the Meet director and the EPF Championship Secretary not later than 60 days before the date of the Championship. Final nominations must be submitted no later than 21 days before the date of the Championship and must include only names from the preliminary nomination (i.e. only lifters from the preliminary nomination can be replaced by a substitute. No new nominations will be accepted).

According to Technical Rules [Page 4, item 7] at the final nomination you must define which athletes will take part in the championship. At the Technical meeting you can only delete athletes from your final nomination. No more change by weight class of any athlete is possible. The final nomination is valid for the competition.

Changes may occur to the timetable of events. The timetable may be changed one day after the final nomination. Some categories may be moved one day earlier or one day later than specified in the preliminary timetable. All other changes will take place at the technical meeting.

If the organiser does not receive a confirmed cancellation of hotel rooms by the given deadline all hotel costs will be the responsibility of nominated lifters and officials. The same applies to participation and anti-doping fees (IPF-By-Laws 105.5.2).

All athletes, coaches, referees and officials from each federation must book their rooms by the organiser and must stay in the official hotel during the entire time in attendance of the championship. If athletes, coaches, referees or officials do not stay in the official hotel during the entire time in attendance of the championship, they will be obliged to pay an administration fee of € 100 per person to the organiser. Failure to comply will have the effect that they will not receive accreditation and will be excluded from that championship (IPF By-laws 105.4.4).

**Indemnity & Insurance:** All participating federations and its delegated athletes and officials agree to indemnity and not hold the organising committee accountable for and against any claims for personal injury, financial loss, death or property damage, in any form, arising out of or in any way resulting from the participation in, postponement or cancellation of the said European Championships.

All delegate members must have a valid **incident and health insurance policy**. The Organiser and the IPF/ EPF will not incur any expenses for a doctor or stay in hospital. We recommend a travel insurance for covering loss of luggage, delayed flight, sickness, accidents, thefts etc.”
