### **Important Items to Remember**

Nomination of athletes and officials to International Events shall be received by the Championship Secretary with a copy to the Meet Director within the following time limits:

- Preliminary nomination not later than 60 days prior to an International Event.
- Final nomination, submitted not later than 21 days prior to an International Event, must be made from those nominated in the preliminary nomination.

According to the IPF Technical Rules [Page 4, item 7] on the submitted Final Nomination Form you must send the finalized list of the athletes that will take part in the championship. At the Technical Meeting you can only delete athletes from your final nomination form and no one can change weight classes.

Changes may occur to the timetable of events. All changes will take place at the Technical Meeting that will be held on Monday, 11<sup>th</sup> March 2024 at 19:00.

A federation participating with more than 3 lifters is obliged to nominate at least one referee and a nation with more than 14 lifters is obliged to nominate at least two referees. If a referee(s) from the nation is not present or, if present, is not available to act in the capacity of either referee or member of jury at least two days during the event, the lifters are allowed to take part, but a fine of Euro 1000 has to be paid by the nation for each missing referee (EPF By-laws 105.13). Each nominated referee must be available minimum two days.

For referees **27<sup>th</sup> February, 2024** is the last day for changes of categories for which a referee has been allocated in the final nomination which his national federation indicated in the Goodlift system.

Referee duties, specified by the Technical Committee, are mandatory 14 days prior to the championships. Any changes, withdrawal or no show up by a referee regarding the allocated duty at or after the Technical Meeting, may impose a warning or €100 in fine dependent of the reason. However, federations may allocate duties between their own referees latest at the Technical Meeting upon agreement by the appointed Technical Committee member (EPF By-laws 105.13.2).

If a referee's examination is arranged, the written examinations will be done on Tuesday 12<sup>th</sup> March, all candidates will do this exam together. EPF Technical Committee will decide about the date and time for each candidate to make the practical examinations. The organizer will prepare a room for written examination.

Victory Ceremonies will be held at the end of each lifting session. It will be absolutely mandatory that each athlete wear their national team tracksuit for the award presentation.

If the organizer does not receive confirmed cancellations of hotel rooms at least 21 days prior to the championship, all hotel costs will be the responsibility of nominated lifters and officials. The same shall apply to participation and Anti-Doping fees.

All participating nations in European championships should be represented at the Technical Meeting. If a representative of a participating nation is absent at the Technical Meeting prior to the European championship or has not informed about his/her absence by confirming the participation of his/her federation's nominated lifters (by e-mail) a fine of 250 Euro will be imposed to the concerned national federation (EPF By-laws 105.6).

The confirmation of absence from Technical Meeting must be sent between the date of the final nomination and the start of the Technical Meeting to the EPF Championship Secretary Tero Hyttinen, email: [tero@europowerlifting.org](mailto:tero@europowerlifting.org) with a copy to the EPF Treasurer Xavier de Puytorac, email: [xavier@europowerlifting.org](mailto:xavier@europowerlifting.org).
