

*WOMEN'S COMMITTEE*

# WOMEN'S POWERLIFTING UPDATE 2017

The following statistics have been developed on basis of European's competitions data published on the EPF website.

The period considered is from 2000 till December 2017, with special focus of last ten years.

The list of the data is the following:

A. Women lifters who took part in an European competition distinguished into several kind of competition, with separated totals between powerlifting and bench press championships.

Totals are depurated of lifters that took part in more than one competition during the year.

B. Distribution for age class of women lifters considering all competition.

C. Trend of the average age.

D. Detail for 2017:

- Average age.
- Distribution for age class of women lifters in all competitions;
- Distribution for age class of women lifters for each competition;
